Article 1 – Business Covered

This Agreement is to indemnify the Reinsured in respect of the net loss which the Reinsured may sustain under policies classified by the Reinsured as Property business, in force at the inception of this Agreement or written or renewed during its currency, in respect of risks situated worldwide excluding the territories specifically excluded under Article 6.

Article 2 – Cover and Retention

The Reinsurers shall be liable for the amount of ultimate net loss arising out of each and every loss, each and every risk, in excess of the Reinsured's retention of KRW 5,000,000,000 (the "Retention"), subject to a limit of KRW 50,000,000,000 each and every risk. The Reinsured shall pay an additional premium calculated at one hundred per cent (100%) of the reinstated amount, pro rata as to the fraction of the limit reinstated and pro rata as to the unexpired period of the Agreement. The number of reinstatements shall be limited to one (1) for the duration of this Agreement.

Article 4 – Ultimate Net Loss

The term "Ultimate Net Loss" shall mean the sum actually paid by the Reinsured in settlement of losses or liability after making deductions for all recoveries, all salvages and all claims upon other reinsurances, whether collected or not, and shall include the Reinsured's reasonable expenses incurred in the investigation, adjustment and litigation of claims, excluding office salaries and ordinary overhead.
